NORTHWEST ALLEN COUNTY SCHOOLS

HUNTERTOWN, INDIANA

SPIRIT

OF

'67

Yes, 1967 was a year of abounding spirit at Huntertown High School. This is the year that the Spirit Cat became an honored member of H. H. S.'s family. The "king" ruled over pep sessions; the Student Council Spirit Dance; and, most important of all, the successful seasons of sports.

He wasn't alone, however, for the students set new records in enthusiasm and participation in school activities this year.

Although 1967 was a year of hard work and goal-reaching for many, it was also a year of new friendships, plenty of fun, and abounding SPIRIT !!!

CLASSES, CLUBS, AND CONTESTS

Steve mixed pleasure with work as he helped Marsha with her science project.

Jean Malcolm and Carolyn Scherrer received this beautiful trophy for winning an F. H. A. contest on television.

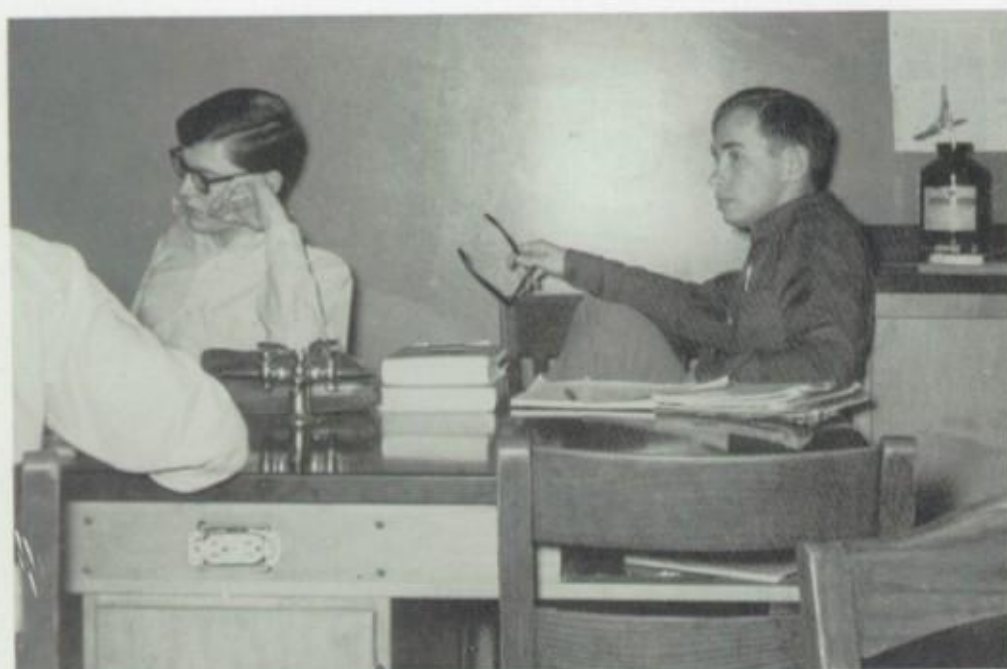

Do you think you'll have your term paper completed by tomorrow, Becky?

Chemistry proved to be a constant source of worry for many students. Mike and Vince don't seem to be taking it too hard however.

Tim and Kathy are receiving helpful hints from Mr. Mallers on how to make Student Council a stronger organization.

Dave and Martin seem to be engrossed in Mr. Miller's lecture.

Field trips gave these girls a chance to learn about the businesses around Fort Wayne.

LET'S TAKE A BREAK !!!

It looks as if the Seniors succeeded in getting Mr. Miller off the subject again!

Student secretaries often find time for a friendly chat between their duties.

Putting up posters gave Gary and Kathy a nice break from the usual routine.

These students couldn't be taking advantage of getting out of class for pictures! --Or could they?

Exciting is the day that the Sophomores pick out their class rings!

Ah! For the sound of the fire whistle on a boring day!

Pep block members proudly displayed the Huntertown banner as they sang the school song.

These Huntertown fans braved the cold to back the track team.

Lloyd demonstrates the winning style which helped him break the school record in pole vaulting.

Half time at the basketball games finds the cheerleaders chatting with the opponents.

Mr. Gorsuch seems to be having trouble getting the boys to run!

The large bonfire was a symbol of victory before the county tourney. Here the cheerleaders led the students in rousing yells to build spirit!

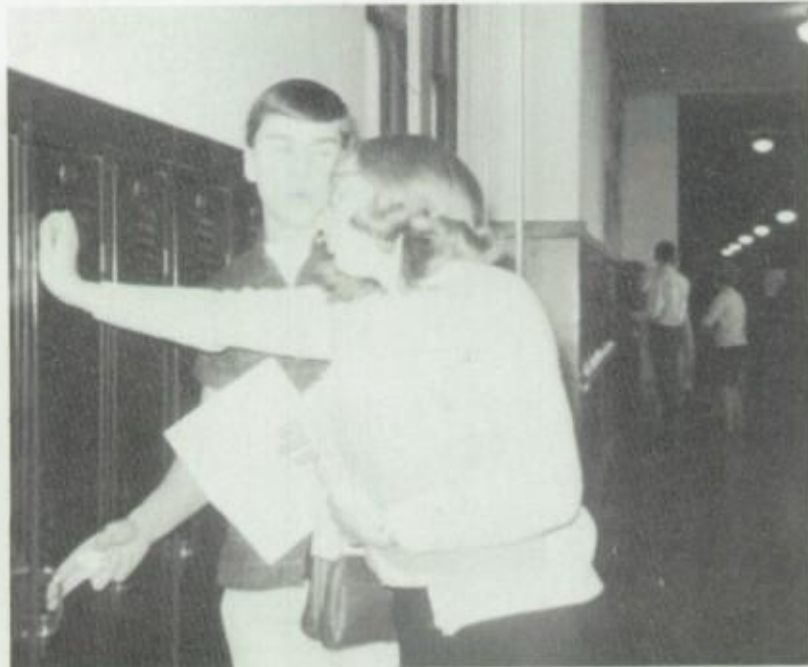

A picture is worth a thousand words!

FUN, FROLIC, AND FRIENDSHIPS

Don't Steve and Linda look charming tonight?

Hey Sue! What IS in there?

A typical noon scene at H. H. S.

Now, Pam! Surely Theresa didn't do anything to deserve THAT!

Don't Disturb! Nila and Linda are studying their shorthand.

This Jr. High couple seems to be enjoying itself.

It seems that Kris and Cindy are making the final touch-ups on their Senior cords before they hit the sack.

This looks like a lively group of musicians!
"The fruit of kindness is many friends."

It looks as if it has been a long and tiring day for Kim and Arnold.

SPECIAL PROGRAMS HIGHLIGHTED

THE YEAR

You girls sure have a lot of luggage for just ONE weekend at Y-Teen camp!

The Warsaw High School Band provided an hour of listening enjoyment.

Dr. Frank Liddle advised students about their plans for "the house down the road."

One of the highlights of the Senior year is the entertaining Senior banquet.

The purpose of the F. T. A. play was to stress the importance of Teacher Appreciation week.

Special sports awards are presented at the Athletic Banquet.

The team made an impressive picture in their suits at the beginning of the special County Tourney Pep Session.

KING AND QUEEN COURT

Every year the Prom creates an excitement and splendor that no other event could. This year the Juniors presented the Seniors with a magnificent Prom, "Tender Is the Night." The decorated ballroom and the light smooth music created a romantic atmosphere throughout the evening.

The most exciting moments of the Prom were, of course, those moments of the crowning of the King and Queen and the presentation of the court. Marvin Schlatter was crowned King and Sherry Boggs, Queen. The other members of the court were Arnold Bailey, John Gump, Lloyd Hoot, Janet McComb, Mary Ann Motz, and Kathy Pulver.

The Prom was succeeded by an After-Prom party at the gym of H.H.S. The band, "The Productions," provided the music. The gym was decorated to look like a beach; and there was lots of food to eat, all provided by the Senior mothers and the businessmen of Huntertown.

"TENDER IS THE NIGHT"

Presented by the Class of 1968

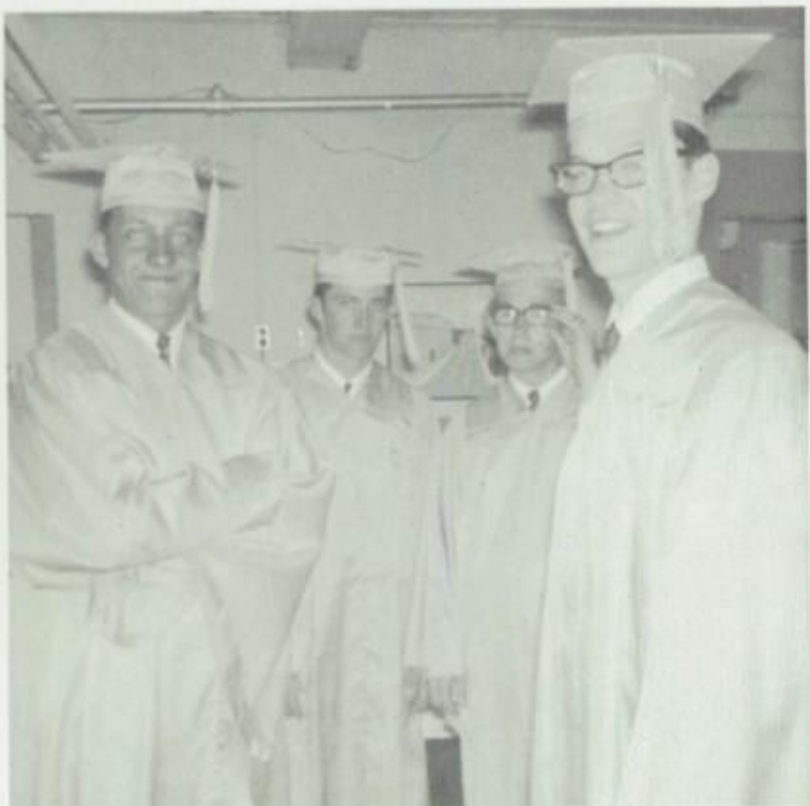

The Prom was attended by many handsome couples, all seeming to enjoy the evening of music and dancing.

Bob Snowball and his band provided the music for the evening.

Couples take a few minutes off from dancing to enjoy some refreshments in the dining room.

SENIOR DAY

On Friday, May 19, 1967, the Seniors enjoyed their last day of school. They decorated "Senior Hall" and enforced a "no trespassing" rule to all underclassmen.

That day the Seniors officially wore their caps and gowns for the first time for the Awards Day program. At this program Seniors were presented many awards in music, sports, citizenship and academics.

Senior Day represents the last day of high school for the class of 1967, but with this end comes a beginning of new experiences for each one of them.

The Junior candidates, Steve Gaff and Pat Aikins became Tarzan and Jane for the "Grape Vine Swing."

ROYALTY

John Falls and Peggy Pratt earned the titles of Mr. Irresistible and Miss Gabby because of their fluid speech.

Roger Dafforn crowns stately Sherry Boggs as the 1967 F. F. A. Chapter Sweetheart.

Smiling Sherry Fulk reigned as Citadel Queen.

Sophomore Rhonda McCord is the band's smiling queen.

Terry Lee Stark was the son of Mr. and Mrs. Richard Stark, Rural Route one, Huntertown. Terry was born June 10, 1949, in Fort Wayne, Indiana. He attended Holy Cross Lutheran Church.

As a young boy, he was very happy and always could be found whistling. He played a cornet in Junior High Band. Terry was a junior life saver in swimming and also enjoyed ice skating. Scouting was another of his achievements, having attained the rank of Star and working for his life badge.

We dedicate this page to Terry who would have been a member of our graduating class.

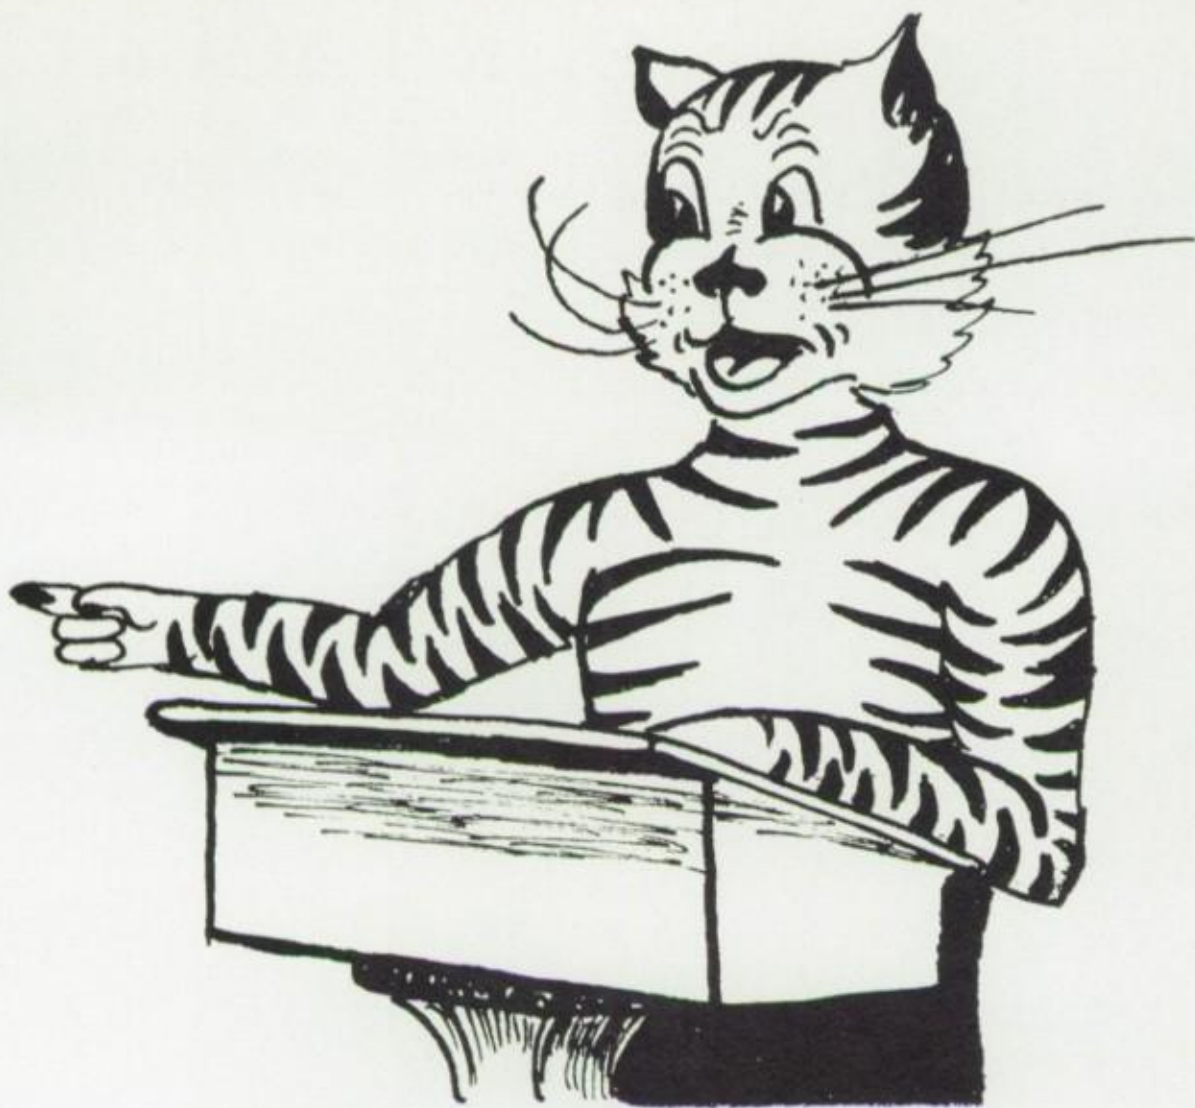

DEDICATION

Tami Douglas Constantine was a member of the Roscoe Lung family, Rural Route one, Huntertown. He was born September 12, 1949; and attended the Riverside Park Church.

Tami's interests varied from mechanical work to weight lifting and fishing.

Tami attended Huntertown from the fourth grade through the ninth grade. We dedicate this page to him, as he would have been a member of our graduating class.

Mr. Donald Lieberum

UNDER THEIR LEADERSHIP . . .

We, the students of Huntertown High School, have been ushered into the world of education through the meticulous supervision and guidance of these fine gentlemen. It is also under their capable supervision that a new school will be built to accommodate the Huntertown and Arcola students. This new school, Carrol High School, will indeed be a great task in every aspect; but these gentlemen will certainly put every effort forth to make it the finest school possible.

HUNTERTOWN SCHOOL BOARD: Mr. Robert Dunfee, Mr. Richard Ott, Mr. Glen Buckmaster, Mr. William Holmes, Mr. Fred Dickes.

These important ladies keep the hungry students fed. FRONT ROW: Mrs. Amstutz, Mrs. Bonjour, Mrs. Crance, Mrs. Marschand. SECOND ROW: Mrs. Stoll, Mrs. Pratt, Mrs. Mittendorf, Mrs. Simon, Mrs. Spangler, and Mrs. Herdman.

SCHOOL HELP

Though few of us really stop to think about it, the cooks, custodians, and bus drivers are forever "behind the scenes" striving to make our school a better one. If it were not for their understanding and cooperative manner, school couldn't function. We owe a great deal to these hard-working People.

Mr. Bailey has his hands full seeing that the school was kept in good shape. He couldn't do it without the help of Mr. Gross and Mr. Emerich.

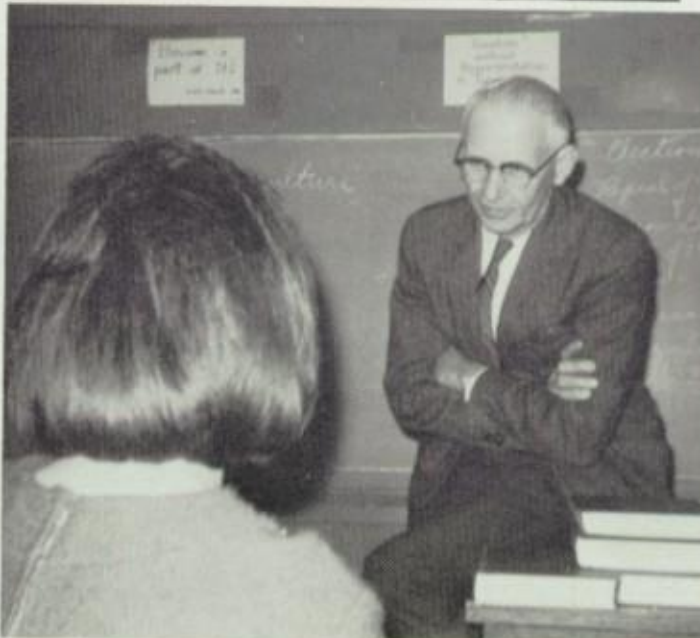

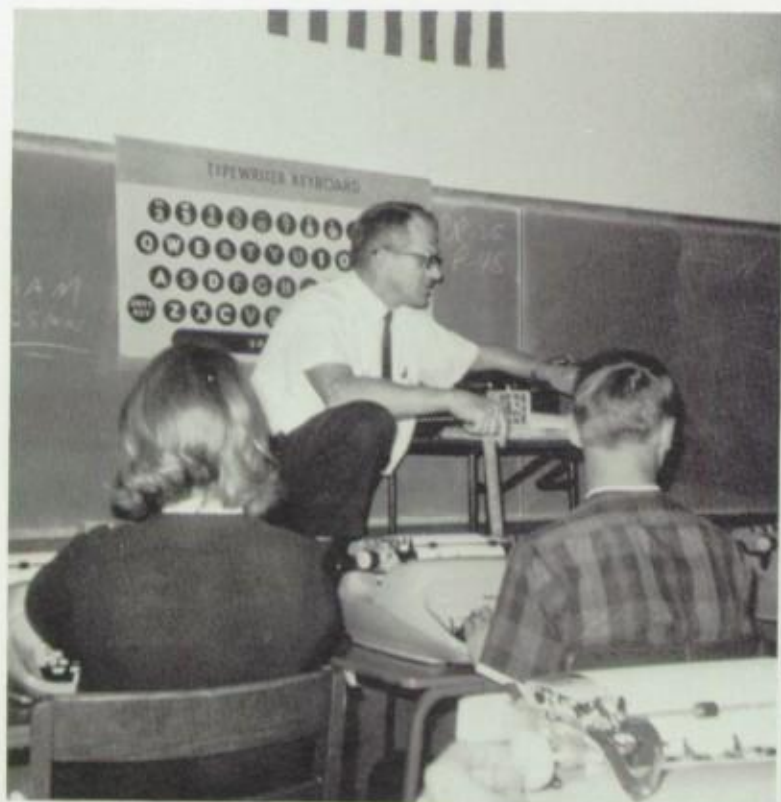

Transporting the students to and from school is the job of Mr. Hess, Mr. Steinbarger, Mr. Douglas, Mr. Smith, Mr. Bracht, Mr. Ryan, Mr. Smith, Mr. Martin, Mr. Maines, Mr. Martin, Mr. Waters, Mr. Smith, Mr. Arnold, Mr. Spangle, Mr. Felger, Mr. Basse, and Mr. Bailey.

ACADEMICS

"Wisdom is to the soul what health is to the body." -- La Rochefoucauld

Phil Sloffer is not known to be a bookworm; but when it comes to working on a term paper, he puts his nose to the grindstone.

This Senior literary committee pays close attention to Mrs. Clark as she gives them a few helpful suggestions.

Hey Freshmen, what's this about a "sit down" strike in English Class?

ENGLISH

Mrs. Byers, Mr. Helm, and Mrs. Clark did their best to teach the students the fundamentals of English in an interesting way. They realize the importance of this subject which is used all through life in speaking and writing.

One of Mrs. Clark's Senior English classes sponsored a literary contest, while the other class published a collection of Senior literary works.

Mr. Helm's students again struggled through the necessary term paper, while Mrs. Byer's Freshmen learned the importance of writing good themes.

"We have room for but one language here, and that is the English language."

Don't these first-year students seem to be "enamorado de español?"

Y-Teen potato chips sure brought a welcome break from studying the subjunctive mood in Spanish II.

It seems as if these Spanish III students are having a spirited time making music.

"SPIRIT IN SPANISH"

Since Spanish is the only foreign language offered at Huntertown, Mrs. Duff often finds her classes quite full. But this doesn't keep the students from learning Spanish--and having fun doing it!

This summer some of the students are planning to spend from two to six weeks living with a Mexican family. They are following the belief that there is no better way to learn Spanish than from someone who speaks it as his native tongue.

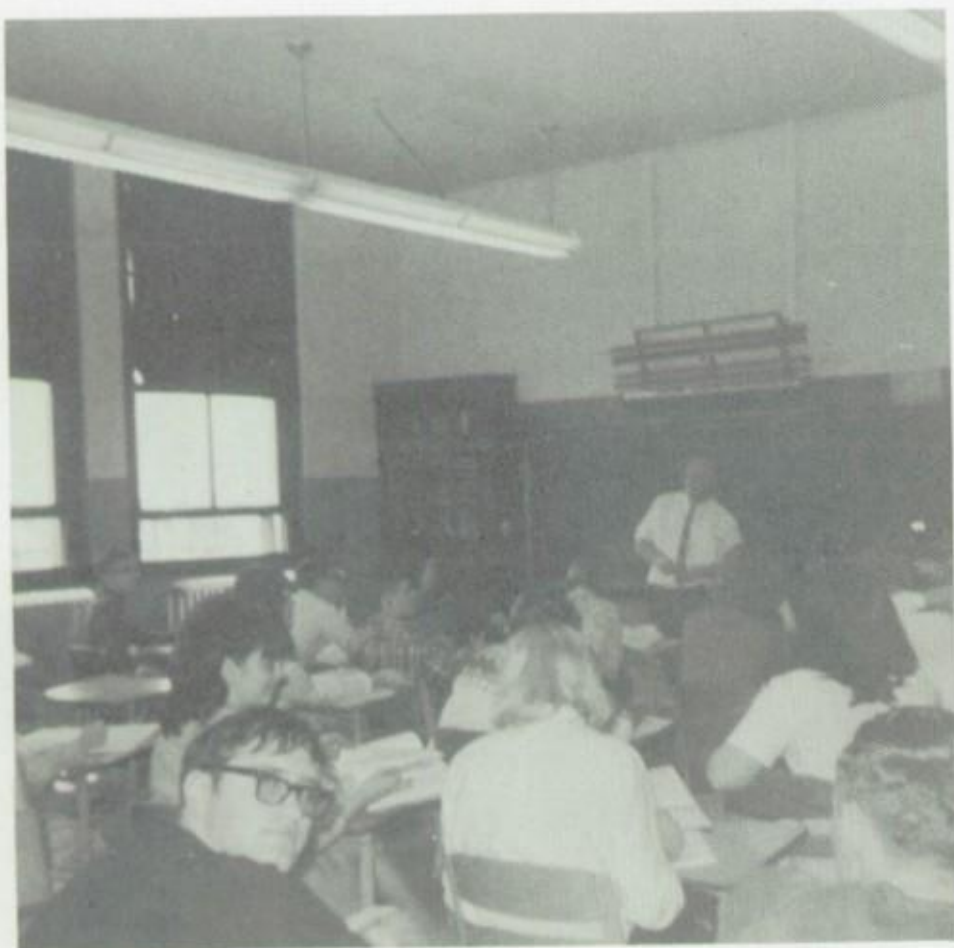

"Perhaps of all the creations of man, language is the most astonishing." -- Strachey

It looks as if Mr. Roberts and two of his students are trying to relive the past.

HISTORY

History, Government, and Economics are required courses at Huntertown High School. The sophomores travel way back in time in World History taught by Miss Poling. As Juniors, they take United States from Mr. Roberts. The Seniors learn about the running of their country in Government and Economics under the teaching of either Mr. Richey or Mr. Roberts.

Paul Felger seems to want to say, "I'm here to study Economics, not to get my picture taken."

Math students really "go all out" for math.
Shown here are Mrs. Alter, Mr. Merryman, Mr. Miller and the Junior and Senior math classes.

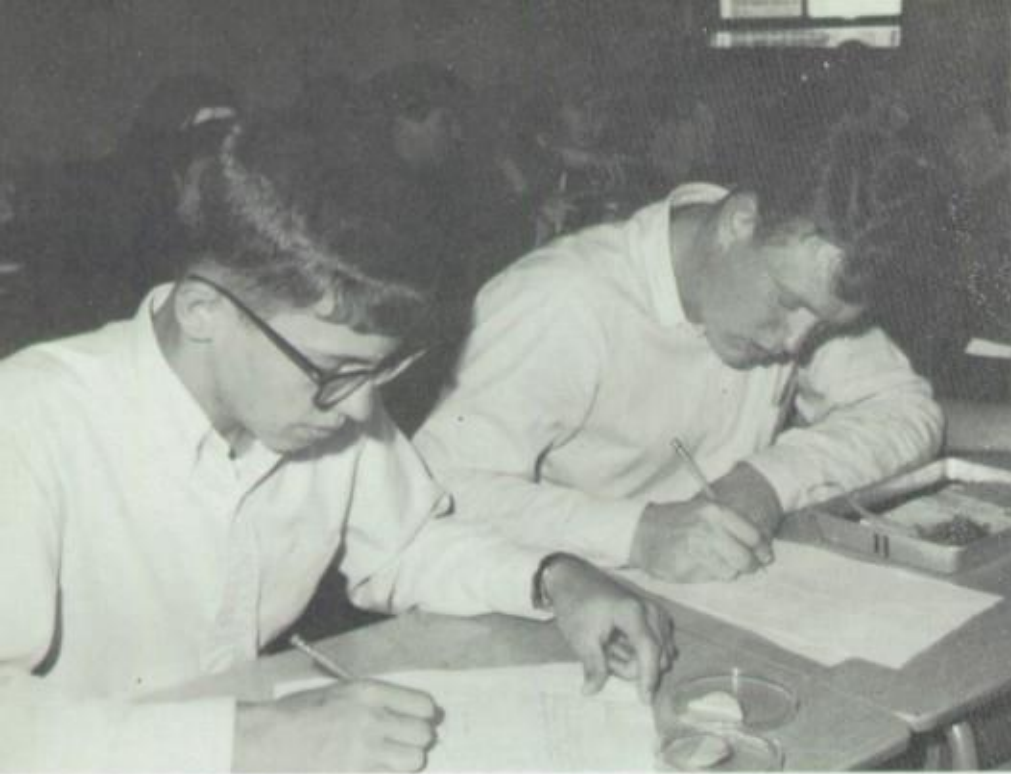

MATH

The math department takes the students into the world of signs and figures. Mr. Merryman starts the Freshmen in Algebra and also teaches a follow-up course to the Juniors. Mrs. Alter teaches the study of geometric forms, and Mr. Jerry Miller teaches the Juniors Algebra and the Seniors their final math course, Trigonometry.

"Mathematics possesses not only truth, but supreme beauty . . ." -- Russell

Really, Cindy! We know Mr. Miller is explaining Senior Math fundamentals, but we don't mind you telling us about it. Have you any more information?

The young minds of Dale Warner and Tom Briggs are concentrating solely on reports of their experiments.

Kim and Steve are letting us, as well as Mr. Miller, know that they think Advanced Biology is fascinating.

Here we see Karen Hammer, Glen White, Rhonda Vinson, Kim Karels, and Kathy Lambert diligently working on one of the many experiments they do during the year.

THE SCIENCES OF NATURE

This year the Freshmen joined the Sophomores in taking Biology. Guiding them in the study of nature were Mr. Vaughn Miller and Mr. Kindy. Mr. Miller also taught an advanced course of Zoology and Botany to a group of Seniors.

The Biology trip was again a great success as the students visited the Chicago museums and aquarium, adding to their ever-growing knowledge of science.

PHYSICS AND CHEMISTRY

THE WORLD OF MATTER AND MOTION

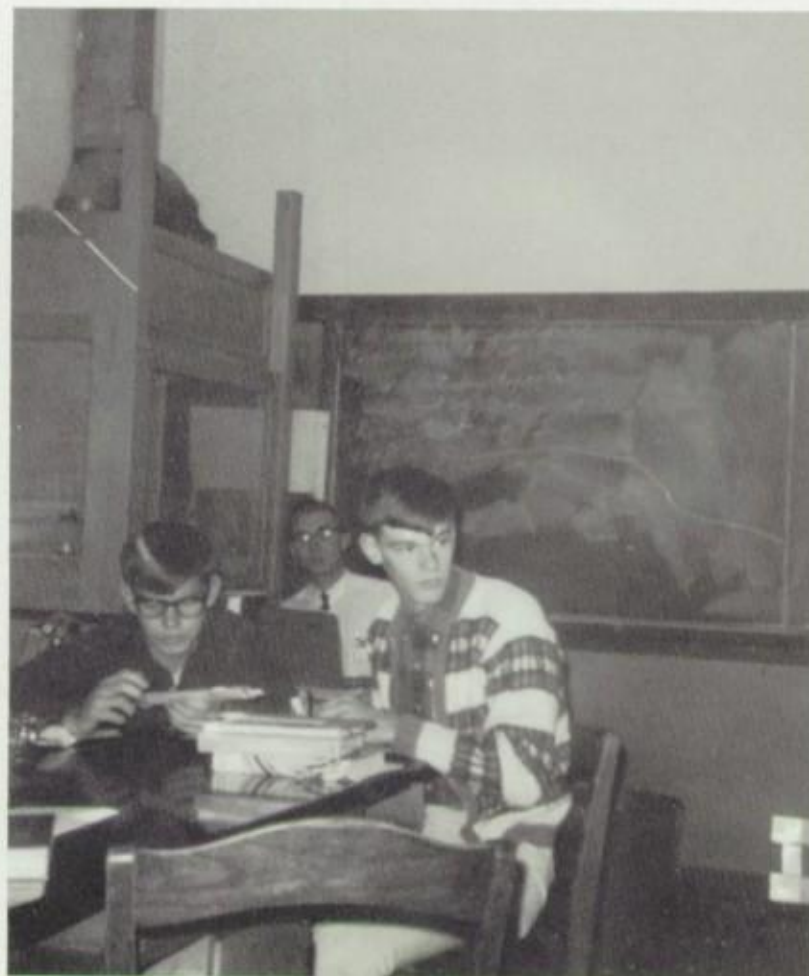

Mr. Jerry Miller and the Chemistry students are prepared for anything and everything!

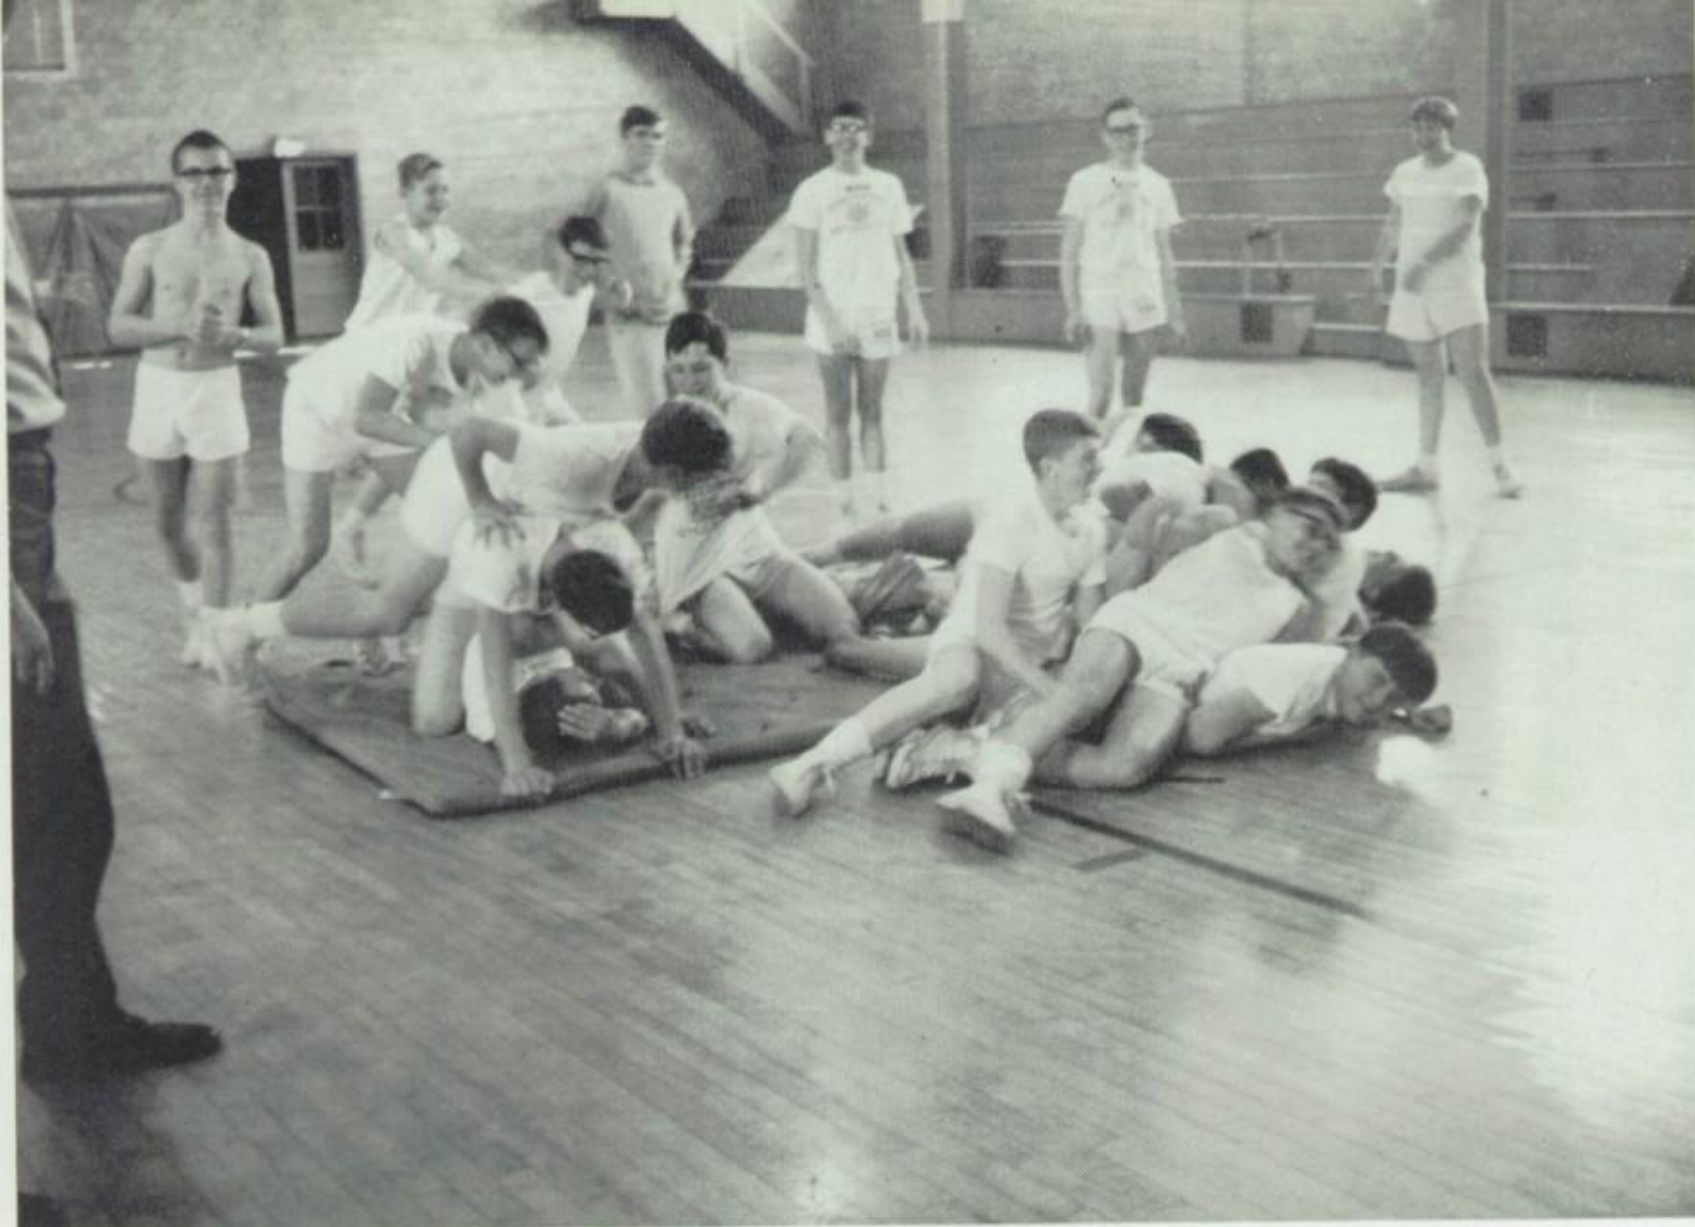

This year the science department was pleased to welcome a new teacher, Mr. Jerry Miller. During his first year at H. H. S., Mr. Miller did a commendable job of teaching the Juniors about elements and chemicals, and the Seniors about matter and motion.

These Juniors and Seniors seem to be more than engrossed in their Chemistry test.

Mr. Miller is about to say, "Ernie, don't pay any attention to those ornery kids."

When the Freshman Physical Education class takes time out for a "breather," they really get into the act of having fun and just plain "goofing off."

Bob Pattee and Cheryl Hursh seem to be taking a health break. After all, milk makes your bones strong and "an apple a day keeps the doctor away."

BETTER HEALTH THROUGH EDUCATION

Mr. Gorsuch teaches the Sophomore students the importance of Health and Safety. This class is required by the state for all students because of its great value.

Keeping the students in shape is the job of Mr. Holderman. He keeps the Freshman boys active in Physical Education.

Miss Poling leads the Freshman girls in all types of physical exercise with the aid of Miss Fogle.

Kathy Pulver is shown here with the fifth grade class. Being with these children taught Kathy a lot about being a teacher.

EXPLORATORY TEACHING PRACTICING FOR THE FUTURE

Those students who seriously plan to become teachers receive teaching experience under the guidance of Mrs. Hostetler. Although it is a lot of work to take over a class, the students feel it is worthwhile because they are adding thoughts to the young minds of their elementary students.

Susie Clark enjoyed working with this kindergarten class.

The Home Ec. department does several favors, small as they may be, for the students at Hunt-ertown, and sewing up pants is one of them. Dan Pattee welcomes the talent of Mrs. Gallender as she sews a fine seam. Mercy, Dan, you sure do look cute in that dress!

THE HOMEMAKERS OF TOMORROW

The Home Ec. Department is headed by Mrs. Gallender and Mrs. Hostetler. Students learn the basic fundamentals of cooking and sewing in Junior High and progress to more difficult tasks in the 9th and 10th grades under the guidance of Mrs. Gallender. In their Junior and Senior years students take advanced home economics from Mrs. Hostetler.

Mrs. Hostetler presents smiling Madonna Weaver with the well-deserved Crisco Award while Sherry Fulk receives the Junior Crisco Award from Mrs. Gallender.

Herm and Paul seem to be getting experience in repairing farm machinery. Good luck, boys!

Lloyd Hoot and Bob Bowker worked hard to become outstanding in their field. Lloyd received the Chapter Star Farmer award and Bob the DeKalb award.

AGRICULTURE

Agriculture is made available to all high school students for four years. This department is headed by Mr. Pfafman. In this class the students learn the know-how that will help them manage their own farms in the future. The class study ranges from general principles to detailed study of livestock and crops.

A career in agriculture includes knowing more than just how to plant crops. Here Joe Fritz and Jerry Wells are engrossed in the shop.

Bob Hedges and Herm Felger are getting valuable experience in working with tools.

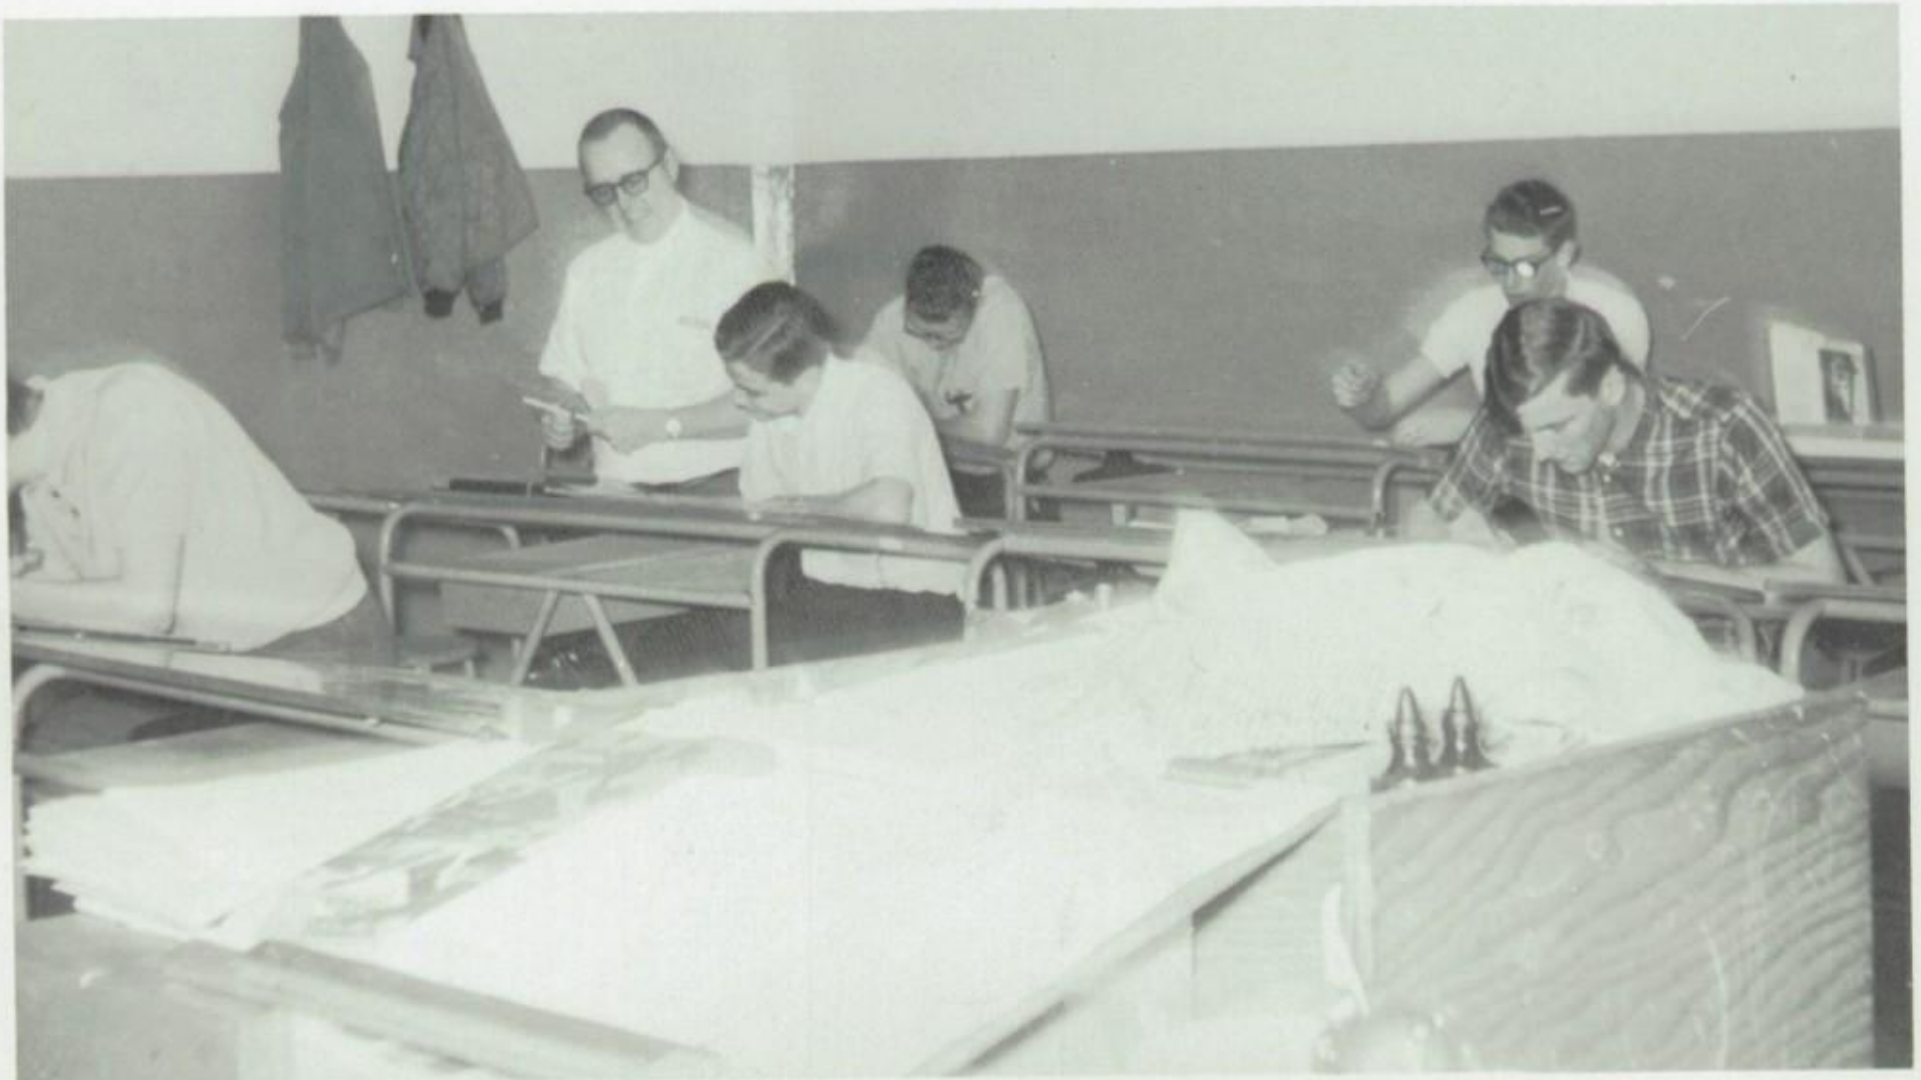

Three years of Mechanical Drawing are offered at Hometown under the guidance of Mr. Hall. He also teaches one year of Industrial Arts in which the boys do actual working with tools. In these classes the boys learn skills which will be helpful to them in the future, not only at their jobs but at home.

ARCHITECTURE

Skills For The Future

"If you have built castles in the air, your work need not be lost . . . put foundations under them."

Mr. Hall seems to enjoy working with his Mechanical Drawing classes.

MUSIC AND ART

Music and Art are the languages of the world and are enjoyed by most of the Huntertown High School students.

This year the music department welcomed a new teacher, Mrs. Armstrong. She taught the fifth period choir class.

The Art department was headed by Mrs. Walsh. Many of the students' art works brightened up the cafeteria during dark, dreary days.

Now Lelia, you hit the right note on the piano. Everett sing! O. K. ?

Debbie Fisher shows us one of the many fine examples of art work produced here at Huntertown.

Linda McBride is making sure she is "singing to the beat". Good Luck, Linda!

Here we see Mrs. Walsh placing a clay head into the kiln. Assisting her are Janet McComb, Richard Grush, and John Falls.

PREPARING FOR A FUTURE IN BUSINESS

As a student of Business Law Gary should realize that nothing should be done by force.

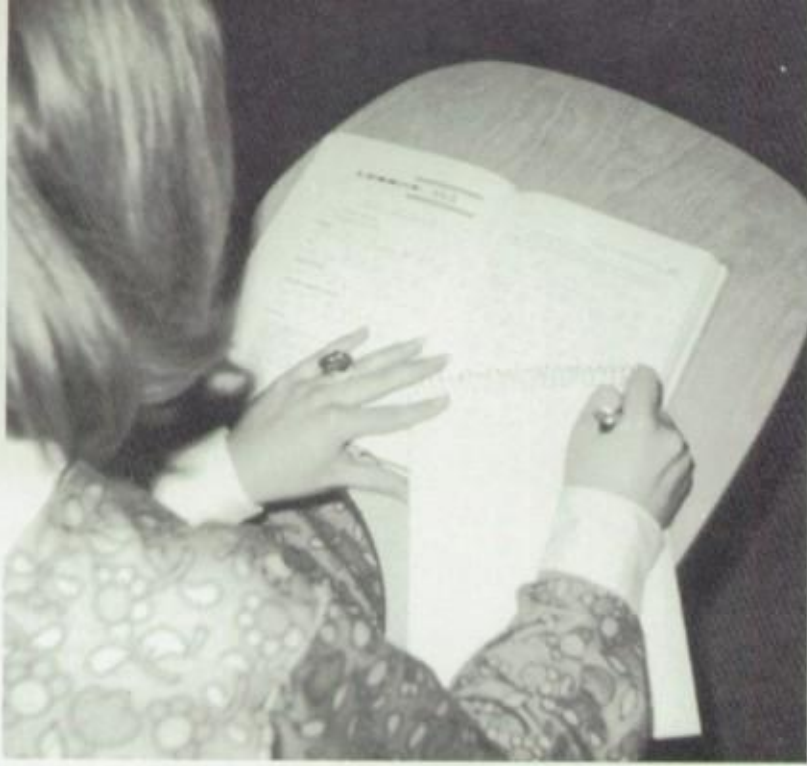

Dan seems to have enough Bookkeeping to keep him busy for quite some time.

Engrossed in their study, these students are learning the basic principles of general business.

Students prepare for the business world by studying Bookkeeping under the direction of Mr. Sloffer and Mrs. Bauserman, General Business taught by Mr. Fox, and Business Law taught by Mr. Roberts. These students know the importance of a good business background in our growing world of business economics.

Shorthand outlines come alive on the pages of a transcription notebook of a first year shorthand student.

TYPING AND SHORTHAND

Skills For The Business World

Mr. Fox and Mrs. Bauserman preside over the typing and shorthand classes at H. H. S. The first year typists spend most of their time getting the "feel" of the typewriter, whereas the second year they learn complicated business forms.

In the first and second year shorthand classes students learn a skill which will be helpful in college as well as in the business world.

These Typing II students worked with perseverance to get their problems finished and stapled before the bell rang.

The development of typing skills takes a lot of practice and hard work for the first year typists.

S P E E C H

"To be or not to be . . ." is a quotation David Mackel often uses when giving speeches.

Learning To Be At Ease

This year the Speech Department was enthusiastically headed by Mrs. Clark. The students worked on impromptu and prepared speeches, drama, and debate.

The Speech class improved the Student Council convocations by adding new and often comical ideas to ordinary situations.

Along with this, most of the students were active members in Drama Club.

"The best legacy I can leave my children is free speech, and the example of using it."
-- Sidney

Here we see a smiling Mr. Gerard presenting Theresa Thompson with a plaque she received for winning the speech contest.

Yes, since the Veteran's Day convention will be the first one of the year, make sure everything is just right!

Are you always this serious in speech class?

"The mind should be allowed some relaxation, that it may return to its work all the better for the rest." -- Seneca

Tim, make sure you get that "keep off the grass" sign in the proper place!

Committee members are searching continually for new ideas and projects to better our school.

The Student Council's creation of the "spirit cat" generated enthusiasm and spirit among the students this year.

VOICE OF THE STUDENT BODY

The Student Council of Huntertown High School in 1966-1967 grew and strengthened to great heights. With the addition of committees, it was able to sponsor many projects for the benefit of the students and the faculty. The Council was supervised this year by two new advisers, Mr. Richey and Mrs. Byers.

The Council sponsored a ping pong tourney, a "spirit cat," a photography contest, convocations, Citizenship awards, Senior-of-the-month awards, and several other notable projects.

The Citizenship committee headed by Mark Helge spent the entire school year composing and compiling a student handbook for the students to use as a guide in school conduct.

SCHOLASTIC ACHIEVEMENTS MERIT RECOGNITION IN THE NATIONAL HONOR SOCIETY

Carolynn Scherrer has a large smile upon her face as she receives the honor of joining National Honor Society.

The N. H. S. Banquet is the highlight of the year for the proud new members.

March 2 was an anxiety-filled day for many as they waited to see who would be pinned for N.H.S. This honor is bestowed upon a certain number of Juniors and Seniors each year throughout the United States. It is based on scholarship, leadership, service, and character; and it is considered the highest scholastic honor a student can receive during his high school years. It also enables these students to compete for a National Merit Scholarship on the basis of need and their National Merit test scores.

FRONT ROW: Mr. Kindy and Mrs. Hostetler, Advisors; Tim Thomas, Student Council Representative; Nancy Pulfer, Secretary; Dan Mills, Parliamentarian; Linda Halt, President; Kathy Manter, Point Keeper; Steve Simon, Historian; Jean Malcolm, Reporter; Arnold Bailey, Treasurer; Sue Clark, Vice-President. THE NEXT GENERATIONS' TEACHERS

It seems as if the main candidate for first Vice-President of the state convention is Tim Thomas.

The Future Teachers of America Club is for those high school students who are interested in a career in teaching. Mrs. Hostetler advises the students and gives them ideas for activities. Among the activities this year were trips to various colleges, during which the students got to sit in on actual classes of their choice.

The members also participated in an "elf system" in which each of them secretly performed special tasks for "their" teachers. The teachers discovered the identity of their "elves" at a special "Teacher's Tea" put on by the F. T. A.

Every member of the F. T. A. pledges himself to "physical vitality, mental vigor, moral discrimination, wholesome personality, helpfulness, worthy thoughts, and leadership...."

FRONT ROW: Mrs. Clark, Advisor; Kathy Lambert, President; Katy Jacobus, Historian; Cindy Gump, Secretary; Brenda Fender, Chaplain. THIRD ROW: Ernie Harris, Karen Hammer, Cindy Crance, Barbara Heck, Diane Bir, Sandy Buckles, Vicki Hough, Pam Glackin, Debbie Fisher.

FUTURE MEDICAL CAREERS EXPLORING THE VARIED FIELDS OF MEDICINE

This was the F. M. C.'s first year as a club under this name. In previous years it existed as Future Nurses of America, but the study was broadened to include other medical professions. The purpose is now "to bring together young people interested in careers in nursing and health, to explore opportunities and requirements in these fields, and to grow as individuals by working together."

The members diligently sold toothbrushes in order to add to their treasury. They also enjoyed hearing from learned speakers of different medical occupations.

"We have a call to do good, as often as we have the power and occasion." -- Penn

The busy Nursettes from Huntertown find a great deal of satisfaction in helping when they are needed. Does it hurt, Kathy?

EXEMPLIFYING CHRISTIAN IDEALS

The Night Owl party, a slumber party for all Y-Teens in the Fort Wayne area, was a HOWLING success this year; but it appears as though Pam Nofzinger missed half of it.

The Y-Teen Club is the largest and one of the most active groups in the school. This year this Christian service organization consisted of 120 hard-working girls who worked towards the three goals set up for them. These are (1) To grow as a person, (2) To grow in friendship with people of all races, religions, and nationalities, and (3) To grow in the knowledge and love of God.

The Y-Teens conducted many outstanding and worthwhile activities during the year. Two of the highlights were the annual semi-formal Christmas dance and Y-Teen camp with the installation of officers. The girls also adopted Grandmothers at the County Home and proudly adopted an orphan girl from Korea named Won Bo Maeng.

FRONT ROW: Mr. Pfafman, Sponsor; Paul Felger, Reporter; Richard DeWitt, Secretary; Roger Dafforn, President; Lloyd Hoot, Vice-President; Steve Douglas, Treasurer; Herm Felger, Sentinel. SECOND ROW: Jim Hedrick, Carl Molargik, Bob Bowker, Mike Zehr, Jerry Wells, Jerry Dennison, Glen White, Mike Clark. THIRD ROW: Gary Warner, Paul Sloffer, Tom Briggs, Alan Malcolm, Dale Miller, Steve Briggs, Dan Barrand, Keith Miller, Joe Neuhouser, Gary Sloffer. FOURTH ROW: Tim Bracht, Dave Roberson, Denny Fahlsing, Jim Ray, Gary Bucher, Jim Fredrick, Mike Gross. FIFTH ROW: Dave Hall, Ralph De-ver, Joe Fritz, Ken Anderson, Carl Johnson, Phil Clark.

FUTURE FARMERS OF AMERICA STRESSING THE IMPORTANCE OF AGRICULTURE

Huntertown F. F. A. 's basketball team came out as the champion of the F. F. A. District Basketball Tourney. The members of the team are Paul Sloffer, Jerry Wells, Gary Warner, Steve Douglas, Joe Fritz, Lloyd Hoot, Bob Bowker, and Richard DeWitt.

The F. F. A. is an active organization consisting of boys who are interested in making a profession in some field of agriculture. This organization is directed by Mr. Pfafman. Among the many worthwhile activities of the year were a pest killing contest, a WOWO Penny Pitch, and a scrap drive. The boys also had a skating party where they chose their Chapter Sweetheart.

FRONT ROW: Mrs. Gallander, Advisor; Katy Jacobus, Treasurer; Jean Malcolm, Vice-President; Carolynn Scherrer, President; Barb Heck, Secretary; Margaret Ringler, Recreational Leader. SECOND ROW: Diana Beucler, Historian; Sandy Lansaw, Point Keeper; Karen Hobbs, Representative; Vicki Snyder, Student Council Representative. PROMOTING HOME ECONOMICS

"This agenda seems okay to me. What do you think, Margaret?"

The purposes of the Future Homemakers of America Club are "to promote an appreciation of the satisfactions and importance of homemaking, to develop democracy in the home and community life, and to stimulate interest in home economics."

The year was a profitable one for this club as they sold cookbooks, had a bake sale, and sponsored a sponge throw booth at the Fall Festival.

The club also conducted many service projects such as a Christmas party for orphans from St. Vincent Villa and the planting of rosebushes at Irene Byron.

DRAMA CLUBS INCREASING ROLE

Here, we see a major operation being performed on "Dribbling Dan" so he will have enough pep for the County Tourney.

The Drama Club proved to be a useful organization this year under the guidance of Mrs. Clark. Its skits were a main attraction at many of the pep sessions as they added humor and entertainment. The play "Inner Willy" also turned out to be quite a success. Not only did it give the actors and actresses a chance to gain experience, but it also was a money-making project for the club.

This organization had the largest enrollment that it has had for a number of years. The enthusiasm for the club proved that DRAMA is welcome at H. H. S.

GIRLS PARTICIPATE IN SPORTS ACTIVITIES

The Girls' Athletic Association gained a lot of new members during its second year in progress. Its purpose was to create an interest in athletics and good sportsmanship among the high school girls.

During the year the girls played basketball, volleyball, and other sports. Receiving the most interest, however, were the Wednesday night bowling sessions at Key Lanes.

The girls ended the year on a happy note by having a picnic at Franke Park and afterwards going miniature golfing. The club was under the supervision of Miss Poling.

GIRLS ASSIST IN THE OFFICE

Each period certain girls, chosen on quality and performance, give up their study halls to help Mrs. Herdman and Mrs. Houser in the school offices. They do jobs such as recording, taking telephone messages, and collecting attendance slips. The importance of these small jobs in the running of the school can not be over emphasized. On this page we recognize the office girls.

OFFICE GIRLS - FRONT ROW: Annette Messman, Madonna Weaver, Nila Witham, Linda Crooks. SECOND ROW: Kathy Lambert, Sherry Boggs, Marilyn Badiac. THIRD ROW: Pam Hamm, Cindy Gump, Janet McComb. FOURTH ROW: Colleen German, Jean Malcolm, Kathy Pulver. FIFTH ROW: Sharon Grush, Peggy Nicodemus, Carolyn Ayres, Rhonda Vinson, Sharry Tucker.

We believe in helping, but isn't this a little silly, Mr. Gerard? We've got REAL work to do!

SPIRIT ABOUND IN PEP CLUB

Abounding spirit was the theme at the ball games, especially when the score was close.

The Pep Club is an organization of girls and boys who wish to back the basketball team by participating in the organized yells led by the cheerleaders. Their main purpose is to promote school spirit with an emphasis on good sportsmanship.

Miss Poling tried to create a lot of interest and keep things running smoothly. This year the club sold Wildcat pennants and pins for the County Tourney in order to create interest and build up the treasury.

Huntertown's mascot is the wildcat. This year the Wildcat outfit was proudly worn by Madonna Weaver to symbolize the SPIRIT of H. H. S.

The "Fighting Wildcats" who belonged to "H-Club" this year were FRONT ROW: Mr. Holderman, Coach; Mr. Gorsuch, Coach; Arnold Bailey, Secretary-Treasurer; Marv Schlatter, President; John Gump, Student Council Representative; Lloyd Hoot, Vice-President; Al Hamm, Sergeant at Arms. On May 24, 1967, the Senior class held its commencement exercises. After twelve hard years of work, they finally received their diplomas. As it graduated, the class was proud to present among its ranks two valedictorians, two salutatorians, and a top fifteen rather than the usual ten.

With their graduation the Seniors took with them many memories of their past years of school. They'll remember that from their Freshman year, the class strived to make money to put on the prom. Their first dance, the "Cherry Flip" led the way to many successful class dances. As their Junior year came, preparation for the prom took precedence over all. Finally on May 7, 1966, "Stairway to the Stars" was held in the Ft. Wayne Women's Club.

The Juniors became Seniors and interests changed. Everything seemed to revolve around graduation. Graduation announcements had to be prepared, class motto, flower and colors had to be chosen, and caps and gowns had to be rented. The busy year also included the Senior banquet which was held April 14th at the Baer Field Inn. It was surely an evening all the Seniors will remember. This event led to many other graduation events, Awards Day, the Senior party, baccalaureate, and finally graduation. They left, but they left with many fine memories and a proud past. As they enter into their new life, the Citadel staff wishes them the best of luck.

CLASS OF '67

CLASS MOTTO: Live the present, for the future, guided by the past.

CLASS FLOWER: Rose

CLASS COLORS: Light Blue and White

The Senior girls wore their decorated Senior cords with pride to ball games and to school on special days.

Dave Mackel and Barbara Heck are giving themselves special recognition for being co-valedictorians for 1967.

Now Mary! Don't get nasty just because Martin tied your score to become a co-salutatorian of the class of '67!

Winning smiles and helping hands were two of the characteristics which were considered before choosing Janet McComb and Arnold Bailey as the BEST PERSONALITIES.

Martin Bragg's and Barb Heck's outlook on life earned them the honor of being chosen MOST LIKELY TO SUCCEED.

Paul Felger and Madonna Weaver led the class in fun and frolic to be chosen CLASS CLOWNS.

"The talent of success is nothing more than doing what you can do well; and doing well whatever you do, without a thought of fame."
Longfellow

SENIOR CLASS FAVORITES

BEST ACTOR AND ACTRESS --Carolyn Ayres and Dan McComb played their parts well to earn this title.

PRETTIEST AND MOST HANDSOME-- The expression "faces to smile upon" certainly applies to the Senior Favorites, Marv Schlatter and Sherry Boggs.

Neatness of attire was the main characteristic which won Dave Mackel, Nila Witham, and Greg Pence the title of BEST DRESSED.

The class officers who led the planning of the prom were Tom Brunner, Vice-President; David Edyvean, Treasurer; Steve Simon, President; and Nancy Pulfer, Secretary.

Phil Sloffer and Susan Mackel will be our representatives to Boys' and Girls' State.

CLASS OF 1970

"Make the most of time, it
flies away so fast." --Goethe

Freshmen

Getting the Freshman class off to a good start were Cathy Fitch, President; Mike James, Vice-President; Sharon Gloyd, Secretary; and Sheryl Wiseman, Treasurer.

These Freshman girls seem to have found themselves locked in.

The Freshman boys use up some of their energy by showing off their gymnastic skills.
